

AFFIDAVIT OF VIRGINIA A. CHRISTY

STATE OF FLORIDA

COUNTY OF Leon Walton

BEFORE ME, the undersigned authority, personally appeared Virginia A. Christy, Director of Property & Casualty Financial Oversight for the Office of Insurance Regulation, who after being duly sworn, deposes and says:

1. I, Virginia A. Christy, am over the age of eighteen (18), sui juris, and I am competent to testify to and have personal knowledge of the facts contained herein.

2. I, Virginia A. Christy, currently hold the position of Director with the Property & Casualty Financial Oversight business unit of the Florida Office of Insurance Regulation (hereinafter referred to as the "OFFICE"). I graduated from Missouri Southern State College in 1987 with a Bachelor of Science degree in Business Administration with a major in Accounting. I have been employed by the OFFICE since July 2012.

3. Guarantee Insurance Company (hereinafter referred to as "GIC"), upon the approval of a redomestication application, was licensed on January 5, 2007, as a state of Florida domestic Property and Casualty insurer authorized to write Workers' Compensation insurance, pursuant to Part III of Chapter 624, Florida Statutes, and is subject to the regulation of the OFFICE pursuant to the Florida Insurance Code.

4. The OFFICE has determined that grounds exist for the Department of Financial Services (hereinafter referred to as the "DEPARTMENT") to petition for an order, under Section

Exhibit A

631.051 or 631.061, Florida Statutes, directing the DEPARTMENT to initiate delinquency proceedings against GIC. The basis for this determination is summarized as follows:

(a) **Insolvency (§§ 631.051(1) & 631.061(1), Fla. Stat.) and Further Transaction of Insurance is Hazardous to Policyholders, Creditors, Stockholders, or the Public (§ 631.051(3), Fla. Stat.).** On August 28, 2017, the OFFICE received GIC's June 30, 2017, second quarter 2017 financial statement (attached as **Exhibit 1**). GIC reported on page 4, line 39, surplus as regards policyholders totaling \$42,189,772 and on line 37, page 3, surplus as regards policyholders totaling \$42,189,770.¹ On Thursday, November 2, 2017, the OFFICE received notification from GIC that its appointed actuary was amending his original Statement of Actuarial Opinion to indicate that the reserves for unpaid losses and loss adjustment expenses booked in GIC's statutory annual statement for year ended December 31, 2016 (attached as **Exhibit 2**), was below the low end of the actuarial range by \$30,563,445, with the high end of the range being \$54,289,649, on a net of reinsurance basis. This revised Statement of Actuarial Opinion resulted in an additional downward adjustment to surplus as regards policyholders. GIC was required, pursuant to Section 625.101, Florida Statutes, to establish reserves at the midpoint of the actuarial range, which in this case has been calculated at \$42,426,547. Applying this adjustment, GIC's adjusted surplus as regards policyholders at June 30, 2017, is (\$236,775), rendering the company insolvent.

(b) **Has willfully violated Florida law (§ 631.051(8), Fla. Stat.).** GIC reported collateral for Unauthorized Reinsurance as a liability for Funds Held by GIC under Reinsurance Treaties in the amount of \$144,591,000 as of December 31, 2016 (see **Exhibit 2**). Maintaining collateral is required under Statements of Statutory Accounting Principles 62R to

qualify for reinsurance credits on business ceded under unauthorized reinsurance. GIC booked and availed itself of reinsurance credit at a time when it knew that it did not have sufficient cash and invested assets to cover this liability, as reflected on its 2016 annual financial statement (see **Exhibit 2**). Therefore, GIC knowingly filed a false financial statement with the Office in violation of Sections 624.424(1)(a) and 817.2341, Florida Statutes.

(c) **Consent to Rehabilitation or Liquidation (§ 631.051(11), Fla. Stat.).** On November 13, 2017, GIC, through a majority of its directors, executed a Consent to Order of Rehabilitation or Liquidation (attached as **Exhibit 3**), which states: “RESPONDENT admits that grounds exist for the appointment of the Department of Financial Services, Division of Rehabilitation and Liquidation (herein after referred to as the “DEPARTMENT”), as Receiver of RESPONDENT for the purpose of Rehabilitation or Liquidation pursuant to Sections 631.051 and 631.061, Florida Statutes.”

5. Based on the above GIC is insolvent; is in such condition or is using or has been subject to such methods or practices in the conduct of its business, as to render its further transaction of insurance presently or prospectively hazardous to its policyholders, creditors, stockholders, or the public; has willfully violated Florida law; and has consented to rehabilitation or liquidation. Thus, grounds for issuing an Order for entry into receivership exist under Sections 631.051(1), 631.051(3), 631.051(8), 631.051(11), and 631.061(1), Florida Statutes.

FURTHER AFFIANT SAYETH NOT.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with statutory accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Practices

Premiums are earned over the terms of the related insurance policies and reinsurance contracts. Unearned premium reserves are established to cover the unexpired portion of premiums written. Such reserves are computed by pro rata methods for direct, assumed and ceded business. Certain assumed business is booked on a collected premium basis based on reports received from the ceding insurer.

ANNUAL STATEMENT FOR THE YEAR 2016 OF THE GUARANTEE INSURANCE COMPANY

Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable. Ceding allowances in excess of acquisition costs are deferred, and recognized as they are earned.

In addition, the company uses the following accounting practices:

1. Short-term investments are stated at amortized cost.
2. Bonds not backed by other loans are stated at either amortized cost, using the interest method, or the lower of amortized cost or fair market value depending on NAIC rating code.
3. Common stocks are stated at fair market value.
4. Preferred stocks are stated in accordance with the guidance provided in SSAP No. 32.
5. The Company holds no first-lien mortgage loans on real estate.
6. Loan-backed securities are stated at either amortized cost or the lower of amortized cost or fair value, depending on NAIC rating code. Amortized cost is determined using a retrospective adjustment method.
7. The Company has no investments in insurance subsidiaries.
8. The Company has no investments in limited partnerships except for investments in master limited partnerships which are accounted for as common stocks.
9. The Company holds no derivatives.
10. The Company has no premium deficiency reserve, and does not anticipate investment income as a factor in the premium deficiency calculation.
11. Unpaid losses and loss adjustment expenses include an amount determined from individual case estimates and loss reports and an amount, based on past experience, for losses incurred but not reported. Such liabilities are necessarily based on assumptions and estimates and, while management believes the amount is adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liability is continually reviewed and any adjustments are reflected in the period determined.

Estimating liabilities for unpaid claims and reinsurance recoveries for asbestos-related illnesses and toxic waste cleanup claims is subject to significant uncertainties that are generally not present for other types of claims. The ultimate cost of these claims cannot be reasonably estimated using traditional loss estimating techniques. The Company establishes liabilities for reported asbestos-related and toxic waste clean-up claims, including costs of related litigation, as information permits. This information includes the status of current law and coverage litigation, whether an insurable event has occurred, which policies and policy years might be applicable and which reinsurers may be liable, if any. In addition, incurred but not reported liabilities have been established by management to cover potential additional exposure on both known and unasserted claims.

12. The Company has not modified its capitalization policy from the prior period.
13. The Company has no pharmaceutical rebate receivables.

Discontinued Operation #001 (Not held for sale) - The Company, under former ownership, stopped the acceptance of new or renewal business in 1987 and considered the results of its operations since that date as discontinued operations related to the administration and settlement of outstanding claims on the business written in 1987 and prior years, which is also referred to as run-off or legacy business. The Company was acquired by new ownership in 2003 and began writing new business in the first quarter of 2004. The Company does not segregate its investment income or operating expenses between the legacy run-off business and its current business; however, the Company does identify specific asset and liability accounts related to the unpaid losses and related reinsurance accounts as well as incurred losses and loss adjustment expenses specifically related to the run-off of the legacy business. The Company does not hold its legacy business for sale and, accordingly, there is no expected disposal date. Assets include recoverables from reinsurers, securities pledged as collateral and funds held for payment of claims and liabilities include reserves, unremitted losses payable and funds held from reinsurers.

25. Change in Incurred Losses and Loss Adjustment ExpensesMore conservative case reserving for Accident Year 2013

Beginning in calendar year 2013, the Company implemented a revision to its case reserving authority levels to provide case adjusters with more discretion to achieve settlements and closures of remaining older open claims for accident years 2005 through 2008. That strategy resulted in a significant prior accident year strengthening for those same accident years as appearing in the 2013 Schedule P Part 2. In calendar year 2014, the same strategic review took place for accident years 2009 through 2012. Similarly, a significant amount of prior accident year strengthening was reflected for those accident years in the 2014 Schedule P Part 2. For the current calendar year 2015 Schedule P Part 2, all those prior accident years now show only modest changes in development confirming the correctness of the strategy. During calendar year 2015, the final accident year requiring strategic review was 2013 and that accident year reports approximately \$17 million in case reserve strengthening this year. This same approach was implemented on an ongoing basis for claims occurring in 2014 and 2015, therefore a separate strengthening review is not considered to be necessary, as currently held case reserves hold a similar ratio relationship to average cost to close as with the earlier accident years.

	2012	2013	2014	2015
Avg Cost to Close	6,807	7,025	7,476	8,338
Avg Case Reserve per Open Claim	16,600	18,360	24,784	28,692

Legacy and NCCI Pool business

The Company is a mandatory participant in the NCCI Workers Compensation Pool and has a legacy prior ownership pool exposure to asbestos and environmental claims runoff. During 2015, the Company booked approximately \$3 million in prior year development resulting from this non-core run-off asbestos and environmental business and the National Workers Compensation Reinsurance Association's involuntary risk pool, respectively.

Reinsurance Commutations

In 2015, the Company recognized approximately \$13 million of accident year 2012 development resulting from commutations with several of the Company's reinsurers in exchange for consideration outlined in footnote 23 E to the Financial Statement. This "development" did not significantly impact results of operations or surplus since the value of the reserves taken back to the Company's retention was largely offset by reduction in funds withheld liabilities for ceded reinsurance. Therefore, it is not equivalent to the development discussed in the first paragraph above.

Claim closure rates

The Company continues to show high claim closure rates on more current accident years. Specifically, 2012 and prior years are 98% closed, 2013 is 95% closed and 2014 is approximately 91% closed.

As of December 31, 2015, open and closed workers' compensation claim counts by accident year were as follows:

ANNUAL STATEMENT FOR THE YEAR 2016 OF THE GUARANTEE INSURANCE COMPANY

SCHEDULE P INTERROGATORIES

1. The following questions relate to yet-to-be-issued Extended Reporting Endorsements (EREs) arising from Death, Disability, or Retirement (DDR) provisions in Medical Professional Liability Claims Made Insurance policies. EREs provided for reasons other than DDR are not to be included.
- 1.1 Does the company issue Medical Professional Liability Claims Made Insurance policies that provide tail (also known as an extended reporting endorsement, or "ERE") benefits in the event of Death, Disability, or Retirement (DDR) at a reduced charge or at no additional cost? Yes ☐ No ☒
 If the answer to question 1.1 is "no", leave the following questions blank. If the answer to question 1.1 is "yes", please answer the following questions:
- 1.2 What is the total amount of the reserve for that provision (DDR Reserve), as reported, explicitly or not, elsewhere in this statement (in dollars)? \$.....0
- 1.3 Does the company report any DDR reserve as Unearned Premium Reserve per SSAP #65? Yes ☐ No ☒
- 1.4 Does the company report any DDR reserve as loss or loss adjustment expense reserve? Yes ☐ No ☒

- 1.6 If the company reports DDR reserve as loss or loss adjustment expense reserve, please complete the following table corresponding to where these reserves are reported in Schedule P:

2. The definition of allocated loss adjustment expenses (ALAE) and, therefore, unallocated loss adjustment expenses (ULAE) was changed effective January 1, 1998. This change in definition applies to both paid and unpaid expenses. Are these expenses (now reported as "Defense and Cost Containment" and "Adjusting and Other") reported in compliance with these definitions in this statement? Yes ☒ No ☐
3. The Adjusting and Other expense payments and reserves should be allocated to the years in which the losses were incurred based on the number of claims reported, closed and outstanding in those years. When allocating Adjusting and Other expense between companies in a group or a pool, the Adjusting and Other expense should be allocated in the same percentage used for the loss amounts and the claim counts. For reinsurers, Adjusting and Other expense assumed should be reported according to the reinsurance contract. For Adjusting and Other expense incurred by reinsurers, or in those situations where suitable claim count information is not available, Adjusting and Other expense should be allocated by a reasonable method determined by the company and described in Interrogatory 7, below. Are they so reported in this Statement? Yes ☒ No ☐
4. Do any lines in Schedule P include reserves that are reported gross of any discount to present value of future payments, and that are reported net of such discounts on Page 10? Yes ☐ No ☒
- If yes, proper disclosure must be made in the Notes to Financial Statements, as specified in the Instructions. Also, the discounts must be reported in Schedule P - Part 1, Columns 32 and 33. Schedule P must be completed gross of non-tabular discounting. Work papers relating to discount calculations must be available for examination upon request.
- Discounting is allowed only if expressly permitted by the state insurance department to which this Annual Statement is being filed.
5. What were the net premiums in force at the end of the year for:
(in thousands of dollars)
- 5.1 Fidelity.....0
- 5.2 Surety.....0
6. Claim count information is reported per claim or per claimant (Indicate which).....per claimant.....
If not the same in all years, explain in Interrogatory 7.
- 7.1 The information provided in Schedule P will be used by many persons to estimate the adequacy of the current loss and expense reserves, among other things. Are there any especially significant events, coverage, retention or accounting changes that have occurred that must be considered when making such analyses? Yes ☒ No ☐
- 7.2 (An extended statement may be attached.)
Please see footnote 25 for a discussion of factors influencing Schedule P Part 2.

AFFIDAVIT OF JAMES MENCK

STATE OF FLORIDA

COUNTY OF LEON

BEFORE ME, the undersigned authority, personally appeared James Menck, Staff Examiner with Eide Bailly, LLP, who after being duly sworn, deposes and says:

1. I, James Menck, am over the age of eighteen (18), sui juris, and I am competent to testify to and have personal knowledge of the facts contained herein.

2. I, James Menck, currently hold the position of Staff Examiner with Eide Bailly, LLP, which I have held since 2010. I am a Certified Public Accountant, Certified Financial Examiner, Certified Internal Auditor, and Certified Fraud Examiner. I graduated from Texas State University with a Bachelor's Degree of Business Administration with a major of Accounting.

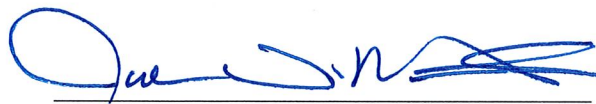

3. The Office of Insurance Regulation contracted with Eide Bailly, LLP, to conduct a limited scope statutory financial examination on Guarantee Insurance Company (hereinafter referred to as "GIC"), and I was assigned as the Examiner in Charge. The financial examination occurred from April 2017 to November 2017 and covered the time frame of 2015 to 2017.

4. During the course of the financial examination, I determined that GIC has systematically transferred funds, totaling at least \$15,743,000, to the benefit of Mr. Steve Mariano, the ultimate owner of GIC, during the calendar year 2016 and through June 2017. GIC made these transfers with no documented business purpose and no discernable benefit to GIC. While Mr. Mariano benefitted individually from these transactions by receiving cash from GIC, this indebtedness diverted funds that otherwise could be used to increase the surplus of GIC and otherwise be available for the payment of policyholder claims. Section 625.332(1)(c), Florida

Statutes, prohibits direct or indirect notes or other evidence of indebtedness of any director, officer, or controlling stockholder of the insurer, except as to policy loans authorized under Section 625.321, Florida Statutes. Therefore, GIC has violated Section 625.332(1)(c) by transferring these funds to Mr. Mariano.

5. Other transactions involving parties with known association to Mr. Mariano have been identified and also determined to be detrimental to GIC.

FURTHER AFFIANT SAYETH NOT.
