Company Overview

I. Company Description

United Property and Casualty Insurance Company (“UPCIC” or “Company”) was a Florida domiciled property and casualty insurer located in St. Petersburg, Florida. The company was licensed on April 2, 1999 and at the time of liquidation, it actively wrote insurance policies that included homeowner’s multiple peril, earthquake, boiler and machinery, inland marine, allied lines, fire, burglary and theft, and other liability in Florida, Georgia, Louisiana, North Carolina, New York, South Carolina, and Texas. UPCIC was also licensed in Connecticut, Massachusetts, New Jersey, and Rhode Island; however, the policies in these states were transitioned to other licensed insurers in 2020.

UPCIC did not have any employees. All personnel were employed by the affiliated managing general agency, United Insurance Management, L.C., and other affiliated entities. UPCIC’s principal place of business was located at 800 2nd Avenue South, St. Petersburg, FL 33701.

II. Company History

UPCIC was incorporated on February 25, 1999. It received a certificate of authority from the Office of Insurance Regulation (“OIR”) on April 2, 1999 and was part of an insurance holding company system. UPCIC and many of its affiliates were 100% owned by United Insurance Holding Corp (“UIHC” or “Holding Company”), a Delaware based corporation with material ownership stakes as follows: Peed FLP1, Ltd., LLP (27.4%), Leah Anneberg Peed (8.1%), and R. Daniel Peed (4.5%). There were additional insurers in the holding company system. They were American Coastal Insurance Company (FL), Interboro Insurance Company (NY), and an off-shore reinsurer, UPC Re (Cayman Islands). Details of the company structure are illustrated in the next section of this document.

In September 2006, UPCIC obtained a \$20,000,000 surplus note from the State Board of Administration of Florida. Several years later in the last quarter of 2019, the company experienced a significant drop in net income and surplus, negative underwriting income, and adverse reserve development due to catastrophic weather events in Florida, Texas, and Louisiana. As a result, UPCIC was required to file monthly financial statements and attend monthly conference calls with OIR. As underwriting losses continued to increase and surplus continued to decline in 2020, the company reduced its exposure in other states by entering into renewal rights agreements and transitioning policies to other licensed insurers in those states. This included Connecticut, Massachusetts, New Jersey, and Rhode Island.

In January 2022, OIR approved a plan for UPCIC to further reduce its exposure by entering an 85% quota share reinsurance agreement and a renewal rights agreement with another insurer for its business in Georgia, North Carolina, and South Carolina. The transition of the South Carolina policies began on June 1, 2022, while Georgia and North Carolina policies transitioned in the fourth quarter of 2022. In addition, UPCIC transitioned its New York policies mid-year in 2022. OIR also increased the frequency of conference calls with UPCIC to a bi-weekly schedule.

In April 2022, United Insurance Holding Corp submitted merger plans to reduce the exposure of affiliate insurance companies due to a rating downgrade of Journey Insurance Company (“Journey”), an affiliated insurer. On June 14, 2022, OIR approved Journey’s merger with American Coastal Insurance Company, which was effective June 1, 2022, and on June 17, 2022, OIR approved Family Security Insurance Company’s merger with and into UPCIC effective May 31, 2022, with UPCIC being the surviving entity. In addition to these actions in June 2022, UPCIC notified OIR that it would transition its flood book of business to Wright National Flood Company in the third quarter of 2022 subject to approval of the Federal Emergency Management Agency.

On July 19, 2022, UPCIC notified OIR that its financial strength rating would be downgraded which would adversely affect its participation in the secondary mortgage market. As a result, OIR approved the company’s participation in the Temporary Market Stabilization Arrangement with Citizens Property Insurance Corporation.

To further stabilize the operations of the company, UPCIC notified OIR on August 3, 2022 that it intended to withdraw from the business of insurance in Florida and other states through an orderly run-off plan of approximately 161,071 Florida policies and 151,325 policies in six other states. A run-off plan was submitted on November 15, 2022, and it was approved by OIR on December 5, 2022. UPCIC was also placed into public administrative supervision by OIR when the run-off plan was approved.

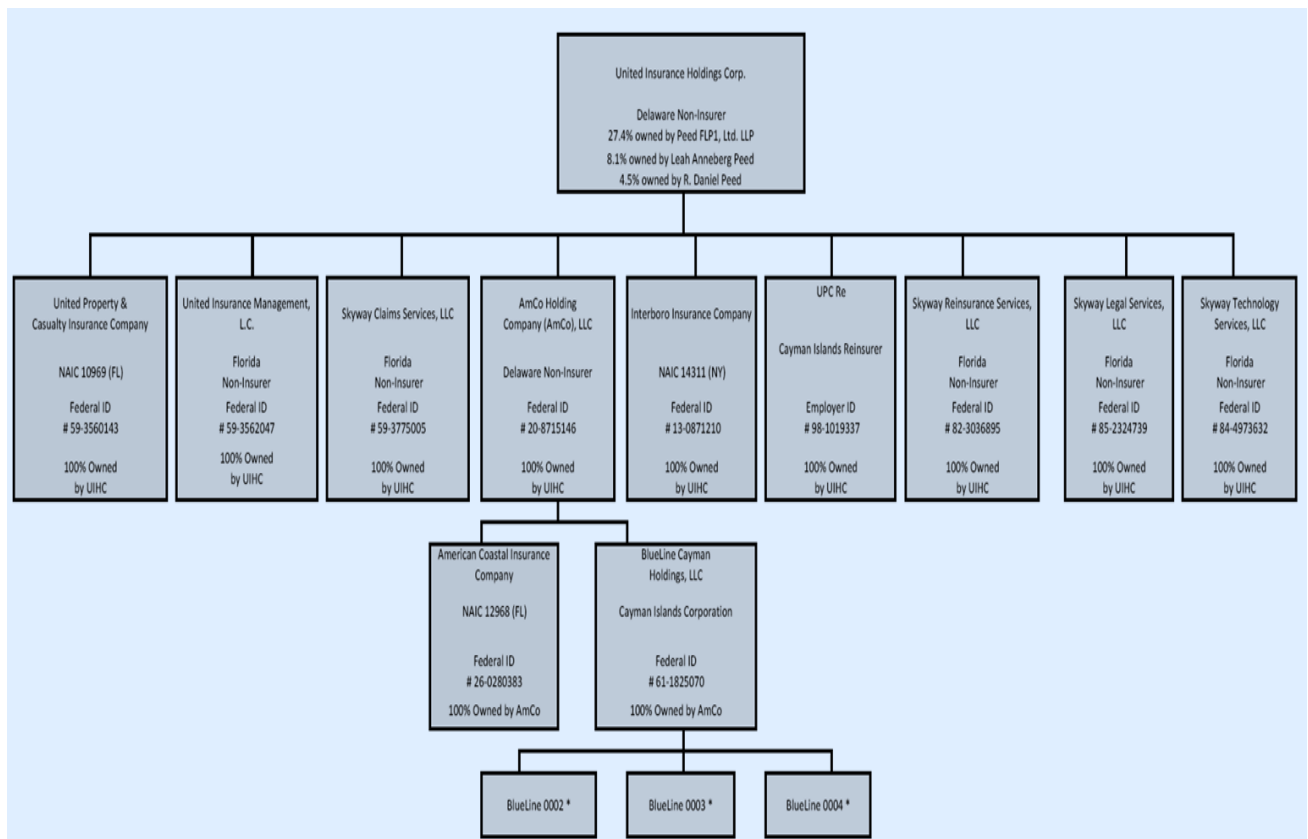

On January 23, 2023, UPCIC notified OIR of an agreement to transfer approximately 72,000 of its Florida policies to another licensed Florida insurer. OIR approved the agreement on January 31, 2023. As a result, the UPCIC policies were cancelled and re-written by Slide Insurance Company as of February 1, 2023.

On January 27, 2023, UPCIC also notified OIR that its reserves for Hurricane Ian losses were deficient by approximately \$140 million when compared to its third-party actuary’s mid-point estimate. The deficit would make the company insolvent if the reserves were reported at the actuary’s estimated amount. Subsequently on February 6, 2023, UPCIC submitted pro forma financial statements to OIR indicating its surplus was (\$217,603,217) for the period ending December 31, 2022. This surplus was the result of increased loss reserves and indicated the company was insolvent.

UPCIC had a managing general agency agreement with affiliate, United Insurance Management, L.C. (UIM) for all business services. UIM executed agreements with Skyway Claims Services, LLC, Skyway Legal Services, LLC, and Skyway Reinsurance Services, LLC for claims and policy administration, underwriting, and marketing services. The following agreements were in effect between UPCIC and its affiliates at the time of liquidation:

- Legal Services Agreement
- Federal Income Tax Allocation Agreement
- Managing General Agency Agreement
- Reinsurance Allocation Agreement

Insolvency Information

I. Preliminary Causal Analysis of Business Practices that Led to Insolvency

The initial issues identified by OIR that resulted in the referral of UPCIC to the Department for delinquency proceedings include:

- Insufficient reserves
- Significant decline in underwriting results
- Continued adverse development for Florida, Louisiana, and Texas

UPCIC's losses over multiple years affected its surplus. The large percentage of litigated claims drove up its costs. The \$140 million reserve deficiency related to Hurricane Ian in September 2022 resulted in the company's referral to the Department for delinquency proceedings.

II. Insolvency Report

This document represents the initial report of insolvency as required by section 631.398(3), Florida Statutes, and will be updated at least annually until the submission of the final insolvency report. Under the supervision of the receivership court and pursuant to section 631.156, Florida Statutes, DFS is tasked with conducting an investigation to determine the causes of UPCIC's insolvency, including whether any laws of this state, any other state, or the Federal Government related to the solvency of UPCIC were violated, to discover assets for recovery, and to determine the location of assets and their manner of recovery. DFS has hired a forensic accounting firm to assist in the investigation. Certain portions of the investigative work product may be deemed confidential as contemplated by section 119.071(1)(d)1, Florida Statutes [attorney work product exemption]; section 626.989, Florida Statutes [fraud investigation exemption]; section 119.0715, Florida Statutes [trade secrets held by an agency exemption]; and other provisions of law. The final insolvency report shall be submitted within 30 days of the conclusion of the insolvency proceeding.
