This matter came before the Court on July 27, 2023, to approve a settlement of the remaining claims pending in this matter. At the time of the approval, Progressive (Richard Alexander Murdaugh's liability insurance carrier for the boat) would not tender its coverage without receiving a full Release for Alexander Murdaugh. As a result, the Beach family attorneys agreed to defer receiving \$500,000.00 of their approved fees so that the other settlements could be achieved at that time. As a result, the action against Mr. Murdaugh was not dismissed at that time. Since that time, the receivership was liquidated and with that, Progressive has tendered its coverage in exchange for a full Release of Mr. Murdaugh..

Recently, Plaintiff's counsel received the policy limits check of \$500,000.00 from Progressive.

Therefore, counsel for Plaintiff and Mr. Murdaugh have submitted this Supplemental Consent Order that merely outlines receipt of this payment and asks the Court to end the case. Since there are no “additional” funds being paid (i.e., no amount not already outlined in the approved Order and disbursement sheet signed by Plaintiff) and the Beach family was and is aware of what was done, and have consented to this procedure, I find this Supplemental Consent Order, which outlines what was done and clears up the record, is sufficient to resolve this case.

Accordingly, the original Order dated July 31, 2023, approving the settlement is hereby supplemented with this Supplemental Consent Order and this matter is hereby ended.

IT IS SO ORDERED!
